I authorized McBride Orthopedic Hospital to retain or dispose of any specimen or tissue taken from the above named patient.

**DISCLOSURE OF INFORMATION**

I hereby authorize the physician(s) of Pediatric ENT of Oklahoma to disclose any or all information in my medical records to any person, corporation, or agency which is or may be liable for all or part of Pediatric ENT of Oklahoma charges or who may be responsible for determining the necessity, appropriateness, amount, or other manner to the physician's treatment of charge including carriers, welfare funds, the Social Security Administration or its intermediaries or carriers. Facility personnel and medical staff may use and disclose medical information for treatment, payment and healthcare operations and to any other physician, healthcare personnel or provider that is or may be involved in the continuum of care for this admission. **ASSIGNMENT OF INSURANCE BENEFITS**

I hereby authorize payment directly to my physician(s) of the medical insurance benefits otherwise payable to me for services rendered during my visit at Pediatric ENT of Oklahoma. I understand I am financially responsible for charges not covered by this assignment. You agree that, to the fullest extent permitted by law, we may remit all or a portion of any credit balances or other amounts due to you from us to any of our affiliates whom you have any balance owing for fees, items, or services.

**WAIVER OF RESPONSIBILITY OF VALUABLES**

I hereby release Pediatric ENT of Oklahoma from any claim for responsibility or damages in the event of loss of my property, including money and jewelry.

**LATE TO APPOINTMENT POLICY**

If you are a new patient, we request that you arrive 15 minutes before your appointment. If you are late by 30 minutes or more, you will likely be asked to reschedule unless the physician's schedule can still accommodate you. Priority will be given to the patients who arrive on time and you may have to be worked in between them. This may mean you will have a considerable wait. If this is not convenient for you, you may choose to reschedule. One or two late patients cause the entire daily schedule to fall behind. This is an inconvenience for everyone. We strive to see every patient as close to their appointment time as possible. We ask that you please be courteous of your provider's valuable time and attention. The physicians, office staff, and your fellow patients will thank you.

**MISSED APPOINTMENT OR "NO-SHOW" POLICY**

While we make every effort to provide a reminder email at least 24 hours before your appointment, it is your responsibility to remember your appointment. We charge a \$50 missed appointment fee to patients who do not keep their scheduled appointment time or who cancel less than 24 hours in advance. If this should happen more than twice, a \$100 charge will be incurred for the third incident. All fees must be paid before a new appointment can be scheduled. After three missed appointments, the practice may at its discretion choose to discontinue your care.

I understand a photocopy of this document is as valid as the original.

## FINANCIAL POLICY

### **Insurance**

As a courtesy to our patients, we will gladly file the forms necessary so that you receive full benefits of your medical coverage. We ask that you read your insurance policy to be fully aware of any limitations of the benefits provided. If you are concerned about coverage for any of the services, please contact your insurance company prior to your visit. If your insurance company denies coverage, or otherwise we do not receive payment 60 days from filing your claim, the amount will then become due and payable by you. Remember that your coverage is a contract between you and your insurance company and/or your employer and your insurance company. Although we will make a good faith effort in obtaining your efforts, we cannot force your insurance company to pay for the services we provide to you.

### **Appointments/Cancelations**

We gladly reserve appointment times for you and appreciate that you have chosen Pediatric ENT of Oklahoma for your child's care. As a courtesy, we will remind you of your appointment by calling or emailing you two days prior to your scheduled date and time. If we cannot speak to you directly, we will leave a message for you. However, in the event your mailbox is full or your line is busy, our efforts to contact you may be unsuccessful. An appointment is a contract of time reserved for your child's care. We respect our patient's valuable time and we request the same courtesy from our patients. Please extend this courtesy should you need to cancel and/or reschedule your appointment. We reserve the right to charge \$50 for regular appointments cancelled or broken without advance notice of one business day. We charge a \$100 cancellation fee for cancelling surgery without providing us notice three business days prior to the appointment.

### **Patient/Parent/Guardian Responsibility**

- I understand that whoever accompanies my child to their appointment has authorization to consent to medical care as needed, and is responsible for payment of medical services.
- I acknowledge my responsibility for payment of all services provided by Pediatric ENT of Oklahoma in accordance with the practice's fees and terms.
- In the cases where a parenting plan exists, the parent that brings the child in for the appointment is considered the guarantor and is responsible for payment.
- At the initial visit, you may sign our consent for minor treatment form that allows us to render care at follow-up visits without the presence of a parent or guardian.

### **Assignment and Release**

I authorize payment to be made directly to Pediatric ENT of Oklahoma by my insurance company, and I accept financial responsibility if services are not covered by my insurance. I authorize release of any medical information requested by my insurance company. My signature below acknowledges that I have read and understand the information.

### **Credit Card on File Policy**

Pediatric ENT of Oklahoma is committed to making our billing processes as simple and easy as possible. We require all initial patients provide a credit card on file with our office. We enter your card information into our credit card processor. For security reasons, only the last four digits will be visible to our staff. Credit cards on file will be used to pay copays when you are seen in our office, including account balances, after your insurance processes your claim. Once we have filed your medical claims, you will receive an invoice notifying you of any services and charges not covered by your insurance. For your convenience, your outstanding balance will be charged to your credit card after 30 days unless we've received another form of payment from you.
